

Escape from the Middle East

Imagine you are stranded on an Island with 4 other people and you had to make a boat to escape using only what you see, what will you do? How will you work with your team to create such a boat. Will it sail or will it sink? LionHeart has a new experiential learning experience called “Escape from the Island” – build a boat to escape from the island using cardboard and tape.

Objective: Working as a team, build and race boats made out of cardboard

Duration:

1 day (4 - 5 hours)

Benefits

- Bring people closer together
- Strategy Development
- A greater understanding of each others strengths and talents
- Collaborative Problem Solving
- Project Planning
- Time Management
- Communication Building
- Delegation of Resources
- Induce excessive happiness
